

# The Young Mothers

## Bis

It's Just a dream and I'm OK, like all the young mothers

I'm losing sleep, not losing weight, like all the young mothers

There's fun in misery, in the price of property

Local celebrity.

It's Just a dream and I'm OK, like all the young mothers

I'm losing sleep, not losing weight, like all the young mothers

It's Just a dream and rim OK, like all the young mothers

I'm losing sleep, not losing weight, like all the young mothers

In the local brasserie, overdose on cups of tea

Conversation, it's for free.

It's Just a dream and I'm OK, like all the young mothers

I'm losing sleep, not losing weight, like all the young mothers

It's Just a dream and I'm OK, like all the young mothers

I dedicate the final page to all the young mothers

It's just a dream and I'm OK, like all the young mothers

I'm losing sleep, not losing weight, like all the young mothers

It's not a dream, it's not OK. There's fun in misery.
