Back When

Sugababes

Do da do da do
Do da do da do
Do da do da do
Do da do da doYou're telling me that I don't look the same as I used to
Could it be that times the only blame for our issues
I wanna know, cant go no longer being neglected
Knowing that your heart has changedReminiscing on the times, looking at the photos
Oh, we were so happy then
Taking walks out in the park, enjoying the sun
And I was your only one
And we were like the closest friendsBack when we used to talk about anything
Now it seems you're not listening
When the nights are colder than usual
And summer time is just not the same
What happened to the love back whenDo da do da do
Do da do da do
Do da do da do
Do da do da doYou promised me we'd plant the seeds of love and let it grow
And now it seems that you don't even water it no more
Cause it seems the leaves have hit the ground and faded
Now the tree don't look the sameReminiscing on the times, looking at the photos
Oh, we were so happy then
Taking walks out in the park, enjoying the sun
And I was your only one
And we were like the closest friendsBack when we used to talk about anything
Now it seems you're not listening
When the nights are colder than usual
And summer time is just not the same
What happened to the love back whenWe used to talk about anything
Now it seems you're not listening
When the nights are colder than usual
And summer time is just not the same
What happened to the love back whenYou told me that you love me
And now it seems to me we're two strangers thats fallen apart
And I know nothing in life is guaranteed
So if you wanna move along then move alongBack when we used to talk about anything
Now it seems you're not listening
When the nights are colder than usual
And summer time is just not the same

What happened to the love back whenWe used to talk about anything
Now it seems you're not listening
When the nights are colder than usual
And summer time is just not the same
What happened to the love back when
