

Sad Sad Girl and Boy

The Impressions

You must be a sad, sad girl
(You must be a sad, sad girl)
If you have no one to love 'Cause I'm a sad, sad boy
(Yes he's a sad, sad boy)
Simply 'cause I have no one to love You know we're two of a kind
A sad, sad girl and boy And I feel like crying
(You know he feels like crying)
Because I have no one to love
Little girl stop your crying
(Little girl stop your crying)
Just because you have no one to love This happens every day (yes it does)
Maybe love will come my way
To a sad, sad girl and boy
Oh yeah
This happens every day (yes it does)
Maybe love will come my way
To a sad, sad girl and boy
To a sad, sad girl and boy
To a sad, sad girl and boy
