Resistance

Everlife

I know you feel it, like I do.
You see this, we all do.
It's burning like a fire taking over the night.
yeah yea yeah.

You don't see it, but you can't deny its there, its electric there's somethin in the air, ooh whoa ooh whoa.
Don't stop, don't stop believing, no no never stop dreaming.
This is the fight for innocence. no yeah. Our hearts will love again, don't let go, don't let go.
We are the resistance. whoa whoa whoa-whoa. Whoa-yeah.

We can't silence, what are we tongue-tied. We just do what they want and never ask why. His marionettes need to be untied. Yeah yeah.

We won't stop, won't stop believing, no no never stop dreaming. This is the fight for innocence. no whoa oOur hearts will love again, don't let go, don't let go. We are the resistance. Whoa whoa whoa-whoa.
Our hearts will love again. Don't let go, don't let go. We are the resistance. whoa whoa whoa-whoa yeah.

Don't Let Go.
Don't let go, don't let go.
Don't let go.
Don't let go.
Don't let go, don't let go of our innocence.
Of our innocence, o whoa whoa whoa whoa-whoa whoa no no no no yeah.

Our hearts will love again don't let go, don't let go. we are the resistance. o whoa, o whoa. Our hearts will love again don't let go, don't let go. We are the resistance whoa whoa whoa-whoa.
