The Time

I I've been watching you
I think I want to know ya
I I am dangerous
Girl I want to show yaMy jungle love
I think I want to know ya
Jungle love
Girl I need to show yaYou you've got a pretty car
I think I want to drive it
I Drive a little dangerous
Take you to my crib and rip you off
HuhOh
I think I want to know ya oh we oh we oh
Girl I need to show ya on baby
Where's your guts
You want to make love or whatJungle LoveI want to take you to my cage
Lock you up and hide the keyYou are only getting part of pig
Cause if you're hungry
Take a bite of meMy jungle love
I think I want to know ya
Jungle love
Girl I need to show yaMy jungle love
I think I want to know ya
Jungle love oh we oh we oh
Girl I need to show yaHey Jesse Now JeromeCHORUS
