Shut Up

LaFee

This song is for you, baby, for makin a fool of me
Why dont you kiss my behind
I really had faith in you but you betrayed me
Too bad that love is blind
But now that I got you tied up
Im a-quite sure that you know this aint gonna fly
There is no need to try and kiss up to me
Your stupid lies wont save you this time
I hate you !Shut up, shut up !
Cryin wont help you get your sorry ass outta this
Shut up, shut up !
I dont want no part of your shitty pity me bit
Shut up, shut up !
Im sick and tired of your wimpy-ass bullshit
Shut up, shut up !
Get the fuck out of my life !You are dismissed, boy, go find a new toy
I dont give a shit what you do
We are over and done, Mr. Hit-and-Run
I aint gonna cry over you
I dont care no more, Im pretty much over you so dont try to butter me up
Im sick of your crap and you can stop all that yappin
Shut up Ive had enough
I hate you !Shut up, shut up !
Cryin wont help you get your sorry ass outta this
Shut up, shut up !
I dont want no part of your shitty pity me bit
Shut up, shut up !
Im sick and tired of your wimpy-ass bullshit
Shut up, shut up !
Get the fuck out of my life !My soul is on fire
My heart is a-ragin
Youre history now
My fortunes are changin
Im not even bothered if you have another
Im so over youor am I ?Shut up, shut up !
Cryin wont help you get your sorry ass outta this
Shut up, shut up !
I dont want no part of your shitty pity me bit
Shut up, shut up !

Im sick and tired of your wimpy-ass bullshit
Shut up, shut up !
Get the fuck out of my life !
Shut up, shut up !
Oh, cryin wont help you
Shut up, shut up !
I dont give a shit about what you do
Shut up, shut up !
Im sick of your bullshit
Fuck you !!!
