

# Lost in Between (feat. Shyam P)

## Alex Hook

It's like I'm in the sky baby

Ooooh

It's like I'm in the sky

(x2)

There's something in the way it makes me feel

It keeps my coming back for more

Oooh

You help me forget all the troubles I have

And you take me to a better place

Oooh

I'm still wondering why

We still don't know where we belong

Still afraid of being left alone

Where we're going and where we're from

(x2)

It's like I'm in the sky baby

Lying way up high

Lost in between the stars and the morning light

And I don't know if I'll make it

Lost in Lost in between the stars and the lights don't know if I'll be back

It's like I'm in the sky baby

It's like I'm in the sky

You'd be lying if you're saying that you're in control

Every moment everything can change

Oooh

You help me forget all the troubles I have

And you take me to a better place

Oooh

I'm still wondering why

We still don't know where we belong  
Still afraid of being left alone  
Where are we going and where we're from  
(x2)
