Here In My Heart

Martina Mcbride

Wondering, waiting
Restless for a sign
I thought you walked so slow
In my haste I left you behind
Caught in the pace of this madness
Searching for shelter I find
That here in my heart there's a refuge waiting
Here in my heart you just won't let me go
I could run away, run away
But you stay here in my heart
Meaning, purpose
Got lost in pursuit of my dreams
I've been longing, aching
In quest for a love that's supreme
I couldn't see you were reaching
But I should've known all along
That here in my heart there's a refuge waiting
Here in my heart you just won't let me go
I could run away, run away
But you stay here in my heart
There's a refuge waiting
Here in my heart you just won't let me go

I could run away, run away
But you stay here in my heart
I couldn't see you were reaching
But I should've known all along
That here in my heart there's a refuge waiting
Here in my heart you just won't let me go
I could run away, run away
But you stay here in my heart
There's a refuge waiting
Here in my heart you just won't let me go
I could run away, run away
I could run away, run away
I could run away, run away, run away
But you stay here in my heart
(Here in my heart)
Here in my heart

(Here in my heart)
Here in my heart
(Here in my heart)
Here in my heart
