

Darker Than Blood

[Steve Aoki](#)

Don't you hold your breath
Cause I'm not coming down
The battlefields have left me only scars
I'm floating in the dark
I'm swimming in the sound
Of voices that should never be apart
Darker than the blood
Higher than the sun
This is not the end
You are not the only one
Venom on their tongues
They'll paint it on the walls
Justice doesn't have the strength to hold
The higher than they climb
The harder they will fall
And we will break their bones until they fold
Darker than the blood
Higher than the sun
This is not the end
You are not the only one
Darker than the blood (Darker than the blood)
Higher than the sun (Higher than the sun)
This is not the end (This is not the end)
You are not the only one (You are not the only one)
This is not the end
(You are not the only one)
You are not the only one
(Higher than the sun)
(This is not the end)
This is not the end
(You are not the only one)
You are not the only one
