## Dynamite Hack

you gotta be kidding me  
i'm through with you girl anyway  
i'll wait for you i always do  
it's dumb but i want to anyway\*\* so here we are stuck in hell  
same old game we know it well  
i don't mind...anyway  
spark it up and numb me on and off again  
oh what the hell  
i don't mind...anywaybeen sittin' here have another beer  
i'm drunk but i want some anyway  
i just don't care enough about you  
so fuck you anyway\*\* so here we are stuck in hell  
same old game we know it well  
i don't mind...anyway  
spark it up and numb me on and off again  
oh what the hell  
i don't mind...anywayyou gotta be kidding me  
i'm through with you girl anyway  
too numb to know that i'm happy  
without you i'm better off anywayi just don't care enough about this to make the effort to show you  
that i care enough to try to get you back in bed with me\*\* so here we are stuck in hell  
same old game we know it well  
i don't mind...anyway  
spark it up and numb me on and off again  
oh what the hell  
i don't mind...anyway
