

Old Weakness (Coming On Strong)

Diamond Rio

She's back in town
Haven't seen her yet
But I know that that won't last
Soon I'll turn around
And be face to face
With a feeling from my past[Chorus]
She's an old weakness
From a place I fell
She's an old heartache
One that time didn't heal too well
It's an old story
'Bout a love gone wrong
Just an old weakness
Coming on strongMy hands still shake
And my heart still aches
Just knowing she's this close
Those steel blue eyes
And the way she smiles
Are the things I fear the most[Chorus]I know the truth is showing
I know I should be going home[Chorus]Just an old weakness
Coming on strong
