Narcissistic Cannibal

Korn

Don't wanna be sly and defile you
Desecrate my mind and rely on you
I just wanna break this crown
But it's hard when I'm so run down
And you're so cynical, Narcisstic Cannibal
Got to bring myself back from the dead
Sometimes, I hate, the life, I made
Everything's wrong every time
Pushing on I can't escape
Everything that comes my way
Is haunting me taking its sweet time?
Holding on I'm lost in a haze
Fighting life to the end of my days
Don't wanna be rude but I have to
Nothing's good about the hell you put me through
I just need to look around
See that life that has come unbound

And you're so cynical, Narcisstic Cannibal
Got to bring myself back from the dead
Sometimes, I hate, the life I made
Everything's wrong every time
Pushing on I can't escape
Everything that comes my way
Is haunting me taking its sweet time
Sometimes, I hate, the life I made
Everything's wrong every time
Pushing on I can't escape
Everything that comes my way
Is haunting me taking its sweet time
Holding on I'm lost in a haze
Fighting life to the end of my days
Holding on I'm lost in a haze
Fighting life to the end of my days
