

Good Samaritan

[Donna Beasley](#)

Don't crucify me
'Cause I will not rise again
I am not your savior
I'm just a good samaritan

Don't take me like medicine
My elixir is impure
I can treat your symptoms
But I am not the cure

If you need compassion
I will give a try
Don't ask for tomorrow
'Cause I'm just passing by

You were naked and I clothed you
You were ignorant, I told you why
You waited for me to hold you
I couldn't stop, I was making time

If you need salvation
I am not the one
I am not your savior
I'm just a good samaritan

I am not your savior
I'm just a good samaritan
