Halo

â˜ Beyonce

Remember those walls I built
Well, baby they're tumbling down
And they didn't even put up a fight
They didn't even make up a soundI found a way to let you in
But I never really had a doubt
Standing in the light of your halo
I got my angel nowIt's like I've been awakened
Every rule I had you breakin,
It's the risk that I'm takin,
I ain't never gonna shut you outEverywhere I'm looking now
I'm surrounded by your embrace
Baby I can see your halo
You know you're my saving graceYou're everything I need and more
It's written all over your face
Baby I can feel your halo
Pray it won't fade awayI can feel your halo halo halo
I can see your halo halo halo
I can feel your halo halo halo
I can see your halo halo haloHit me like a ray of sun
Burning through my darkest night
You're the only one that I want
Think I'm addicted to your lightI swore I'd never fall again
But this don't even feel like falling
Gravity can't forget
To pull me back to the ground againFeels like I've been awakened
Every rule I had you breakin'
The risk that I'm takin'
I'm never gonna shut you outEverywhere I'm looking now
I'm surrounded by your embrace
Baby I can see your halo
You know you're my saving graceYou're everything I need and more
It's written all over your face
Baby I can feel your halo
Pray it won't fade awayI can feel your halo halo halo
I can see your halo halo halo
I can feel your halo halo halo
I can see your halo halo haloI can feel your halo halo halo
I can see your halo halo halo
I can feel your halo halo halo

I can see your halo halo halo
Halo, haloEverywhere I'm looking now
I'm surrounded by your embrace
Baby I can see your halo
You know you're my saving graceYou're everything I need and more
It's written all over your face
Baby I can feel your halo
Pray it won't fade awayI can feel your halo halo halo
I can see your halo halo halo
I can feel your halo halo halo
I can see your halo halo haloI can feel your halo halo halo
I can see your halo halo halo
I can feel your halo halo halo
I can see your halo halo halo
