Salt In Game

"Salt in Game" by CriteriaSalt in games, he said he'd stay away from her
But words don't work
Holidays away from her is all it took
I got shookIf you crave a simpleton life
You're always at home, I thought you would notice
Come back and see me in time
Before I erode, before I eraseIf it suits you, I hope all your dreams come true
I know you have a way, you're going to make it all work.Salt in games, he said he'd stay away from her
But words don't workIf you crave a simpleton life
You're always at home, I thought you would notice
Come back and see me in time
Before I erode, before I eraseIf it suits you, I hope all your dreams come true
'Cause it suits you.
