

Ordinary Day

Ace of Base

Aaaaaah
Ahahahahahaaaaa I wanna kiss you
Just not ordinary miss you
It's an ordinary day
I wanna kiss you
I would like to do the same tomorrow
Just not ordinary miss you
But you're sleeping on my arm
I'm longing to wake you up
I want it simple I can never see myself in the rain
I have travelled around the world
Walking out
Now it's you and me
And we take it from here and now
Twosome wild and free I wanna kiss you
Just not ordinary miss you
It's an ordinary day
I would like to do the same tomorrow
I'm wanting you day and night Would I lie, would I lie
When you're waking up here beside me
To something so obvious to myself
And your hair is a mess
I see your smile
It's heaven on earth
And I can't resist you
How will I do
To protect our little world
Easy life bye bye It's heaven on earth I wanna kiss you
It's an ordinary day
Just not ordinary miss you
It's an ordinary daaaaaay (Come, come, come to me) Come, come, come to me (ordinary day)
Come, come, come to me
Ohhhhhh when you come to me
Come, come, come to me Walking out (oh, when you come to me)
I wanna kiss you
I can never see myself in the rain
Twosome wild and free
Just not ordinary miss you It's an ordinary day
I would like to do the same tomorrow
