They Say It's Wonderful

Perry Como

They say that falling in love is wonderful
It's wonderful, so they say
And with the moon up above, it's wonderful
It's wonderful, so they tell meI can't recall who said it, I know I never read it
I only know they tell me that love is grand and
The thing that's known as romance is wonderful
Wonderful in every way, so they sayI can't recall who said it, I know I never read it
I only know they tell me that love is grand and
The thing that's known as romance is wonderful
Wonderful in every way, so they say
