Get on the floor and do the Twurkulator I'm givin' you 5 seconds to get your big booty ass on the floor  
And do that brand new dance that Ying Yang came back with  
Twurk somethin' come here! Twurk somethin' come here! The dance is called the Twurkulator  
So put your booty on duty and represent for da rent  
'Cause Ying Yang is doin' this thing  
And we ain't goin nowhere! This shit for da Twurkulators

This shit for da Twurkulators  
This shit for da Twurkulators It's for the freaky ass hoes who like to fuck

And like to ride a dick from the floor to the table  
Get on the floor and do the Twurkulator Shorty down and get drunk or she'll drink a  
If her momma knew she was crunk, she'll spank her  
Shorty down to get bread  
Fuck a nigga shakin' in the club that's what I said Everything is a reason  
We loose and have dues, it's all season  
You gotta be down for the cause  
When they comin' up out them draws  
Don't be pullin' them off at the job Shorty like hittin' the club 'cause she like to dance  
Gettin' freaky on the floor doin' the 3 point stance  
And she got a fat monkey down in her pants  
She a hatta like biggy, gimme one more chance And she like gettin' freaky like a fuck bitch  
The way she twurk, I betcha she could ride a good dick  
If ya like what I'm sayin', you gotta be able  
To get on the floor and do the Twurkulator This shit for the Twurkulators

 Now Terry, she's a Twurkulator  
 Small and petite like her name was Jeda  
 All in the mall is where I made her  
 She asked me where I thought a real G could take her  
 To the [Incomprehensible] a little bit a trail-bit  
 Real did I'm a woody wood pecker type of feely feel man  
 She said, "You carry on like a true playa"  
 I told her came to was a Twurkulator  
 Georgia got some Twurkulators

 Get it put in the butt all that freaky stuff  
 And like to ride a dick from the floor to the table  
 Get on the floor and do the Twurkulator  
 This shit for the Twurkulators
