

# She Ain't the Girl for You

## The Kinleys

Tears on the phone, 'round midnight  
You assume that I will be alone  
She hurt you once, hurt you twice  
You keep asking for my advice How many times you have to hear the truth  
She ain't the girl for you She makes you cry and still you stay  
Why can't you just walk away  
Every time you hurt, it hurts me too  
She ain't the girl for you You know, I'll play the part of the friend  
Who bandages you broken heart  
And in return, you turn to me  
There's no limit to what I can be What I am, she cannot do  
She ain't the girl for you She makes you cry and still you stay  
Why can't you just walk away  
Every time you hurt, it hurts me too  
She ain't the girl for you I'm the one who understands  
It's me who holds your hand She makes you cry and still you stay  
Why can't you just walk away  
Every time you hurt, it hurts me too  
She ain't the girl for you She ain't, she ain't, she ain't, she ain't the girl  
She ain't, she ain't, she ain't, she ain't the girl  
She ain't, she ain't, she ain't, she ain't the girl  
She ain't, she ain't, she ain't, she ain't the girl
