

Rapture

lio

La, la, la, la, la, la, la

La, la, la, la, la, la

La, la, la, la, la, la, la

La, la, la, la, la, la

The night I laid my eyes on you
I felt everything around me move
Got nervous when you looked my way
But you knew all the words to say
And your love slowly moved right in
All this time, oh, my love, where you been

Mi Amore, don't you know

My love I want you so

Sugar you make my soul complete

Rapture tastes so sweet

I'm mesmerized in every way

You keep me in a state of daze

Your kisses make my skin feel weak

Always suffering in your heat

Lift our souls like a bird in the wind

Oh, I glide like I'm flying through heaven

Mi Amore, don't you know

My love I want you so

Sugar you make my soul complete

Rapture tastes so sweet

Mi Amore, don't you know

My love I want you so

Sugar you make my soul complete

Rapture tastes so sweet

La, la, la, la, la, la, la

La, la, la, la, la, la

La, la, la, la, la, la, la

La, la, la, la, la, la

Mi Amore, don't you know

My love I want you so

Sugar you make my soul complete

Rapture tastes so sweet

Mi Amore, don't you know

My love I want you so

Sugar you make my soul complete

Rapture tastes so sweet

La, la, la, la, la, la, la

La, la, la, la, la, la

La, la, la, la, la, la, la

La, la, la, la, la, la

La, la, la, la, la, la

La, la, la, la, la, la
