

Blanket On the Ground

[Billie Jo Spears](#)

Come and look out through the window
The big old moon is shinin' down
Tell me now don't it remind you
Of a blanket on the ground Remember back when love first found us
We'd go slippin' out of town
And we'd love beneath the moonlight
On a blanket on the ground I'll get the blanket from the bedroom
And we'll go walkin' once again
To the spot down by the river
Where our sweet love first began Just because we are married
Don't mean we can't slip around
So let's walk out through the moonlight
And lay the blanket on the ground Oh, remember how excited
We used to get when love was young
That old moon was our best buddy
We couldn't wait for night to come Now you know you still excite me
I know you love me like I am
Just once more I wish you love me
On the blanket on the ground I'll get the blanket from the bedroom
And we'll go walkin' once again
To that spot down by the river
Where our sweet love first began Just because we our married
Don't mean we can't slip around
So let's walk out through the moonlight
And lay the blanket on the ground
