

# Gotta Get the First Plane Home

## The Kinks

I won't stay around with you my friend  
My life's been empty since I went  
Since I went away from home  
I'm sick and tired of being alone  
There's nothing left for me to do  
So I gotta get the first plane home  
I gotta get the first plane home  
I gotta wing wing [unverified] fly high over the sea  
There's a little girl who's waiting for me  
Love her till my dying day  
And when I die you'll hear me say  
I love that girl for eternity  
But I gotta get the first plane home  
I gotta get the first plane home  
Got to wing wing [unverified] fly high over the sea  
There's a little girl who's waiting for me  
Love her till my dying day  
And when I die you'll hear me say  
I love that girl for eternity  
But I gotta get the first plane home  
I gotta get the first plane home  
I gotta get the first plane home  
I gotta get the first plane home
