Get up

Superchic[k]

I'm not afraid to fall
It means I climbed up high
To fall is not to fail
You fail when you don't try
I'm not afraid to fall
I might just learn to fly
And I will spread these wings of mineIf I get up I might fall back down again
so lets get up C'mon
If I get up I might fall back down again
We get up anyway
If I get up I might fall back down again
so lets get up C'mon
If Iget up I might fall back down again
And I might fall back down again
And well just jump and see
Even if its the 20th time
We'll just jump and see if we can flyI'm not afraid to fall
And here I told you so
Don't want to rock the boat
But I just had to know
Just a greener side
Or can I touch the sky
But either way I will have triedIf I get up I might fall back down again
So lets get up C'mon
If I get up I might fall back down again
We get up anyway
If I get up I might fall back down again
so lets get up C'mon
If I get up I might fall back down again
and I might fall back down again
And we'll just jump and see
Even if its the 30th time
We'll just jump and see if we can flyI'm not afraid to fall
I've fallen many times
They laughed when I fell down
But I dared to climb
I'm not afraid to fall
I know i'll fall again
But I can win this in the endIf I get up I might fall back down again

So lets get up C'mon
If I get up I might fall back down again
We get up anyway
If I get up I might fall back down again
So lets get up C'mon
If I get up I might fall back down again
and we'll just jump and see
Even if its the 40th time
We'll just jump and see if we can flyIf I get up I might fall back down again
so lets get up C'mon
If I get up I might fall back down again
We get up anyway
If I get up I might fall back down again
So lets get up C'mon
If I get up I might fall down again
And I might fall back down again
