Get up

Superchic[k]

I'm not afraid to fall

It means I climbed up high

To fall is not to fail

You fail when you don't try

I'm not afraid to fall

I might just learn to fly

And I will spread these wings of mineIf I get up I might fall back down again

so lets get up C'mon

If I get up I might fall back down again

We get up anyway

If I get up I might fall back down again

so lets get up C'mon

If Iget up I might fall back down again

And I might fall back down again

And well just jump and see

Even if its the 20th time

We'll just jump and see if we can flyI'm not afraid to fall

And here I told you so

Don't want to rock the boat

But I just had to know

Just a greener side

Or can I touch the sky

But either way I will have triedIf I get up I might fall back down again

So lets get up C'mon

If I get up I might fall back down again

We get up anyway

If I get up I might fall back down again

so lets get up C'mon

If I get up I might fall back down again

and I might fall back down again

And we'll just jump and see

Even if its the 30th time

We'll just jump and see if we can flyI'm not afraid to fall

I've fallen many times

They laughed when I fell down

But I dared to climb

I'm not afraid to fall

I know i'll fall again

But I can win this in the endIf I get up I might fall back down again

So lets get up C'mon If I get up I might fall back down again We get up anyway If I get up I might fall back down again So lets get up C'mon If I get up I might fall back down again and we'll just jump and see Even if its the 40th time We'll just jump and see if we can flyIf I get up I might fall back down again so lets get up C'mon If I get up I might fall back down again We get up anyway If I get up I might fall back down again So lets get up C'mon If I get up I might fall down again And I might fall back down again
