

# What's Made Milwaukee Famous

[Rod Stewart](#)

Its late and she's waiting and I know I must go home  
But every time I start to leave they play another song  
Then someone buys another round and wherever drinks are free  
What's made Milwaukee famous has made a loser out of me  
Baby's begged me not to go so many times before  
She says love and happiness can't live behind those swinging doors  
Now she's gone and I'm to blame to late I finally see  
What's made Milwaukee famous has made a loser out of me  
Baby's begged me not to go so many times before  
She says love and happiness can't live behind those swinging doors  
Now she's gone and I'm to blame to late I finally see  
What's made Milwaukee famous has made a loser out of me  
What's made Milwaukee famous has made a loser out of me  
What's made Milwaukee famous has made a loser out of me
