Yesterday

Leona Lewis

I just can't believe you're gone
Still waitin' for mornin' to come
When I see if the sun will rise
In the way that you're by my side
When we had so much in store
Tell me what is it I'm reaching for
When we're through building memories
I'll hold yesterday in my heart, in my heart
They can take tomorrow and the plans we made
They can take the music that we'll never play
All the broken dreams, take everything
Just take it away but they can never have yesterday
They can take the future that we'll never know
They can take the places that we said we will go
All the broken dreams take everything
Just take it away but they can never have yesterday
You always choose to stay
I should be thankful for everyday
Heaven knows what the future holds
Or least where the story goes
But I never believed until now
I know I'll see you again, I'm sure
No, it's not selfish to ask for more
One more night, one more day
One more smile on your face
But they can't take yesterday

They can take tomorrow and the plans we made
They can take the music that we'll never play
All the broken dreams, take everything
Just take it away but they can never have yesterday
They can take the future that we'll never know
They can take the places that we said we will go
All the broken dreams take everything
Just take it away but they can never have yesterday
I thought our days would last forever
But it wasn't our destiny
'Cause in my mind we had so much time
But I was so wrong

No, I can, believe me
I can still find the strength in the moments we made
I'm lookin' back on yesterday
They can take tomorrow and the plans we made
They can take the music that we'll never play
All the broken dreams, take everything
Just take it away but they can never have yesterday
They can take the future that we'll never know
They can take the places that we said we will go
All the broken dreams take everything
Just take it away but they can never have yesterday
All the broken dreams take everything
But they can never have yesterday
