

Just Be Good to Me

Deborah Cox

Friends tell me I am crazy
That I'm wasting time with you
You'll never be mine
That's not the way I see it
'Cause I feel you're already mine
Whenever you're with me
People always talk about reputation
I don't care what you do to them
Just be good to me
Friends are always telling me, you're a user
I don't care 'bout your other girls
Just be good to me
You may have many others
But I know when you're with me
You are all mine
Friends seem to always listen
To the bad things that you do
You'll never do that to me, oh no, no, no
People always talk about reputation
I don't care what you do to them
Just be good to me, yeah
Friends are always telling me, you're a user
I don't care 'bout your other girls
Just be good to me
Life is a game of chances
So I'll take my chance with you
And you I won't try to change
We talk about it and I'd
Rather have a piece of you
Than to have all of nothing so just be good to me
And in the morning time, baby
In the afternoon, oh baby, yeah
Just be good to me
I'm not the jealous type
And I won't let you down when you need me, I'll be around
I'll be good to you, you'll be good to me
We will be together, be together
Friends are always telling me, you're a user
I don't care 'bout your other girls
Just be good to me
I'm not the jealous type
I won't let you down when you need me I'll be around
I'll be good to you, you'll be good to me
We will be together, be together
Baby, be good to me
Please speak to me
Just be good to me
