

# Diamond

## Bei Maejor

Like a star girl you shining  
Yeah mhm  
Looking like a star like a diamond  
Something like a star girl you shining  
You got all that I need  
Baby you got all that I need  
Looking like a star like a diamond  
Something like a star girl you shining  
You got all that I need  
Baby you got all that I need  
Wishing I could change your mind, yeah  
I wish that you could see yourself through my eyes girl  
You would see that your my star  
My queen my heart (yeah)  
I pull the star down for you  
Cause you are, you are you are  
Like rain in July love from the sky  
You are like ooh ooh ooh  
Ooh, you know that your  
Looking like a star like a diamond  
Something like a star girl you shining  
You got all that I need  
Baby you got all that I need  
Looking like a star like a diamond  
Something like a star girl you shining  
You got all that I need  
Baby you got all that I need  
When you look at the mirror and smile (yeah)  
Then you feel how I feel right now yeah (uh)  
I pray you know that your my star  
My queen my heart (yeah)  
I would trade it all for you  
Cause you are you are you are  
Like cool on the pillow look at what you did  
You are like ooh ooh ooh  
Break it down  
Looking like a star like a diamond  
Something like a star girl you shining  
And you got all that I need

You got all that I need (looking)  
Looking like a star like a diamond (like a star)  
Looking like a star girl your shining (light up the sky)  
You got all that I need (ay ay ay)  
Baby you got all that
