

Take A Look Around (Remix by Timbaland)

Limp Bizkit

All the tension in the world today
All the little girls fillin' up the world today
With the good comes the bad, the bad comes the good
But I'ma live my life like I shouldNow all the critics wanna hit it, to shit-can how we did it
Just because they don't get it
But I'll stay fitted, new era committed
Now this red cap gets a wrap from these criticsDo we always gotta cry?
Do we always gotta live inside a lie?
Life's just a blast, it's movin' really fast
Better stay on top or life'll kick you in the assFollow me into a solo, remember that
Kid, so what you wanna do?
And where you gonna run when you're starin' down
The cable of a mic pointed at your grill like a gunLimp Bizkit is rockin' the set
It's like Russian Roulette, when you're placin' your bet
So don't be upset when you're broke and you're done
'Cause I'ma be the one 'til I jetI know why you wanna hate me
I know why you wanna hate me
I know why you wanna hate me
'Cause hate is all the world has even seen latelyI know why you wanna hate me
I know why you wanna hate me
Now I know why you wanna hate me
'Cause hate is all the world has even seen latelyNow you wanna hate me
'Cause hate is all the world has even seen lately
Now you wanna hate me
'Cause hate is all the world has even seen latelyDoes anybody really know the secret?
Or the combination for this life, and where they keep it?
It's kinda sad when you don't know the meanin'
But everything happens for a reasonI don't even know what I should say
'Cause I'm an idiot, a loser, a microphone abuser
I analyze every second I exist
Beatin' up my mind every second with my fistAnd everybody wanna run
Everybody wanna hide from the gun
You can take that ride through this life if you want
But you can't take the edge off the knifeAnd now you want your money back
But you're denied, 'cause your brain's fried from the sack
And there ain't nothin' I can do
'Cause life is a lesson, you learn it when you're throughI know why you wanna hate me
I know why you wanna hate me
I know why you wanna hate me

'Cause hate is all the world has even seen lately
I know why you wanna hate me
Now I know why you wanna hate me
'Cause hate is all the world has even seen lately
Now you wanna hate me
'Cause hate is all the world has even seen lately
Now I know why
Now I know why
Now I know whyNow I know why you wanna hate me
Now I know why you wanna hate me
Now I know why you wanna hate me
'Cause hate is all the world has even seen lately
'Cause hate is all the world has even seen lately
'Cause hate is all the world has even seen lately
