

To Make Matters Worse

North Side Kings

Your train of thought makes me wanna' drink... when it rains it pours, just stop talking!!! It's the same old shit...

I'VE HEARD IT ALL BEFORE. I'M NOT THE ENEMY!!! I did my best... You're still a friend to me... No, too much honesty... I waited for you to come back, just wasted time. I'M A MAN I'M TOUGH TO CRACK!!!

That was my crime...
