

Hard to Be In Love With You

Daryl Hall & John Oates

Don't want to face it but I know that it's time to go home, no
I cannot say what I want to say when we're alone
I gotta leave but I want to stay
But where you are is so far from the you S of A
When we're more than half a world, half a world away It's so hard to be in love with you
It's so hard to be in love with you
It's so hard to be in love with you
Hard to be in love with you Operator, international 011, oh
Put your love on the line, put your ear to the phone
Maybe it's no longer than a night and a day
But where you are is so far from the you S of A
And it ain't so easy, easy on the heart It's so hard to be in love with you
It's so hard to be in love with you
It's so hard to be in love with you
Hard to be in love with you Oh, maybe it's no longer than a night and a day
But where you are is so far from the you S of A
And it ain't so easy, easy on the heart It's so hard to be in love with you
It's so hard to be in love with you
It's so hard to be in love with you
It's so hard to be in love with you
