

# This Masquerade

**Bob Burford**

Check it out  
Are we really happy here with this lonely game we play?  
Searching for words to say  
Searching but not finding out here, we're standing anyway  
We're lost, here in this mask, this masquerade  
We're both afraid to say we're not too far away  
No, no, no, from being close together from the start  
We try to talk it over, but the words got in the way  
We're lost inside this lonely game we play  
Thoughts of leaving disappears, every time I see your eyes  
No matter how hard I try, try  
To understand the reasons that we carry on this way  
We're lost here in this mask, masquerade  
Masquerade, mask, masquerade  
Masquerade, mask, masquerade  
Masquerade, mask, masquerade  
Masquerade, mask, masquerade  
Masquerade, mask, masquerade  
Masquerade, mask, masquerade  
Masquerade, mask, masquerade
