

Menace to Society

Above the Law

I am here
still here
hold with only a hope that is not certain
grain tear out of the river will only be hardship for describe to me why you go (go away)
describe to me why you lost (lost from my eyes)
I never think to leave yourself up to the end of time
now that I think is just a cry in the heart of a graven simphony
and forget you until I stop breathing
describe to me why you go (go away)
describe to me why you lost (lost from my eyes)
and now only despair at the heart of graven
forever
and now only mourning the destruction accompany myself
forever 2x
(and now only despair at the heart of graven)
(forever)
(and now only mourning the destruction accompany myself)
