Earn The Crown

Backyard Babies

Every time I hit the streets I'm fast
Like a cannonball of gold
Every day I'm travelin' from the past
To fulfill a restless soul
I've been ridin' more than you've been drivin'
It's like a "must go on wheel's"
Anyway it can no longer last
Cause you know yeah you knowTake a look at us now, never do turn around
Turn around, take a look at us now, never
Do turn around, turn around
What's with your face? Making us earn the crown, earn the crown.
Take a look at us now.
We never do turnI can remember when I was not this way
Not as bright as I was told
Can't recall what I said yesterday
Something 'bout the perfect role
I've been gamblin' more than you've been playin'
But I keep head above my heels
I'm here, but I'm not here to stayTake a look at us now, never do turn around
Turn around, take a look at us now, never
Do turn around, turn around
What's with your face? Making us earn the crown, earn the crown.
Take a look at us now.
We never do turnEvery song gets better on the road
Rhythm moving with that sound
Everyone is getting in the mood
Makes no difference, town to town
I've been listening more than you've been hearin'
Just a little price to pay
Being lead astray but I'm not soldTake a look at us now, never do turn around
Turn around, take a look at us now, never
Do turn around, turn around
What's with your face? Making us earn the crown, earn the crown.
Take a look at us now.
We never do turn
