The Most Beautiful Girl

Masked Intruder

I've been around the whole wide world
Bet I've seen a million girls
Never seen one half as cute as you
When you look my way I feel
Like I've been hit by a care bear stare for real
It's almost like you're setting me on fireYou could have anyone and you know it
What can I say to you I'm no poet
You must be the most beautiful girl
(Most beautiful girl)
The most beautiful girl
(Most beautiful girl)
The most beautiful girl
The most beautiful girl in the whole wide world
You could have anyone and you know it
What can I say to you I'm no poet
You could have anyone what can I say to you
You could have anyone and you know it
You must be the most beautiful girl
(Most beautiful girl)
The most beautiful girl
(Most beautiful girl)
The most beautiful girl
Most beautiful girl in the whole wide world
The most beautiful girl
(Most beautiful girl)
The most beautiful girl
(Most beautiful girl)
The most beautiful girl
Most beautiful girl in the whole wide world
