Fashion Statement

Kill Your Idols

Explain this false reality this myth of non-conformity you all look the same to me so fuck your elitist mentality CHORUS: set a standard make the rules the rest of us are fucking fools judged by the way you look, so fucking lame fuck you fashion statement game. whats the point of trying to fit in hardcore kids, punks and skins is a way of life its not a fad it has nothing to do with how you keep your hair. REPEAT CHORUS. take a look what do you see uniforms but no unity forget the cliques and join the fight the key thing here is to unite. REPEAT CHORUS
