Blue Light

The Merricks

There's a blue light in my best friend's room
There's a blue light in his eye
There's a blue light, yeah
I want to see it shineThere's a ship that sails by my window
There's a ship that sails on by
There's a world under it, I think I see it sailing away
I think it's sailing miles crashing me by
Crashing me by, crashing me byThere's a world outside my doorstep
Flames over, everyone hot, don't you see them shining?
I want to hear them beating for me
I think I hear them waves crashing me by
Crashing me by, crashing me by
