Trust In Me

Chris Connor

Come to me without more speculation
Have no fear, give me your hand, my dearTrust in me in all you do
Have the faith I have in you
Love will see us through
If only you trust in meCome to me when things go wrong
Cling to me and I'll be strong
We can get along
As long as you trust in meWhile there's a moon on high
While there's a bird to fly
While there's a you and I
You can be sure I love you
