

# Trust In Me

[Chris Connor](#)

Come to me without more speculation  
Have no fear, give me your hand, my dear Trust in me in all you do  
Have the faith I have in you  
Love will see us through  
If only you trust in me Come to me when things go wrong  
Cling to me and I'll be strong  
We can get along  
As long as you trust in me While there's a moon on high  
While there's a bird to fly  
While there's a you and I  
You can be sure I love you
