Slippin'

Shareefa

Ha ha ha ha ha ha uhh
See to live is to suffer but to survive
Well, that's to find meaning in the sufferingAy yo I'm slippin' I'm fallin' I can't get up
Ay yo I'm slippin' I'm fallin' I can't get up
Ay yo I'm slippin' I'm fallin' I gots to get up
Get me back on my feet so I can tear shit upAy yo I'm slippin' I'm fallin' I can't get up
Ay yo I'm slippin' I'm fallin' I can't get up
Ay yo I'm slippin' I'm fallin' I gots to get up
Get me back on my feet so I can tear shit upI been through mad different phases like Masons
To find my way and now I know that happy days are not far away
If I'm strong enough I'll live long enough to see my kids
Doing something more constructive with they time
Than bids I know because I been there now I'm in there
Sit back and look at what it took for me to get there
First came the, the drama with my mama
She got on some fly shit till I split
And said that I'ma be that seedThat doesn't need much to succeed
Strapped with mad greed and a heart that doesn't bleed
I'm ready for the world or at least I thought I was
Baggin' when I caught a buzz
For thinking about how short I was
Going too fast it wouldn't last but yo I couldn't tell
Group homes and institutions, prepare my ass for jail
They put me in a situation forcin' me to be a man
When I was just learnin' to stand without a helpin' handDamn, was it my fault, somethin' I did
To make a father leave his first kid at 7 doin' my first bid?
Back on the scene at 14 with a scheme
To get more cream than I'd ever seen in a dream
And by all means I will be living high off the hog
And I never gave a about much but my dog
That's my only, I had offered my last
Just another little, headed nowhere fastAy yo I'm slippin' I'm fallin' I can't get up
Ay yo I'm slippin' I'm fallin' I can't get up
Ay yo I'm slippin' I'm fallin' I gots to get up
Get me back on my feet so I can tear shit upAy yo I'm slippin' I'm fallin' I can't get up
Ay yo I'm slippin' I'm fallin' I can't get up
Ay yo I'm slippin' I'm fallin' I gots to get up
Get me back on my feet so I can tear shit upThat ain't the half get's worse as I get older
Actions become bolder heart got colder

Chip on my shoulder that I dared a to touch
Didn't need a click 'coz I scared a that much
One deep went to gids startin' for kicks
Catchin' vicks throwin' bricks gettin by bein' slick
Used to get high just to get by used to have
In the morning before I get flyI ate something a couple of forties made me hate somethin'
I did some now I'm ready to take something
3 years later showing signs of stress
Didn't keep my hair cut or give a how I dressed
I'm possessed by the darker side livin' the cruddy life
Like this kept a nigga with a bloody knife
Wanna make records but I'm fuckin' up
I'm slippin' I'm fallin' I can't get upAy yo I'm slippin' I'm fallin' I can't get up
Ay yo I'm slippin' I'm fallin' I can't get up
Ay yo I'm slippin' I'm fallin' I gots to get up
Get me back on my feet so I can tear shit upAy yo I'm slippin' I'm fallin' I can't get up
Ay yo I'm slippin' I'm fallin' I can't get up
Ay yo I'm slippin' I'm fallin' I gots to get up
Get me back on my feet so I can tear shit upWasn't long before I hit rock bottom
Like damn look how that rock got him
Open like a window no more Indo look at a video
Sayin' to myself that could've been yo nigga on the TV
Believe me it could be done somethin's got to give
It's got to change 'coz I've got a son
I've got to do the right thing for shorty
And that means no more getting high drinking fortiesSo I get back lookin' type slick again
Fake jump back on my again
Nothin' but love for those that know how it feel
And much respect to all my that kept it real
Be strong kept a nigga from doin' wrong
Who they is and this is yo song
And to my boo who stuck with a through
All the bullshit you'll get yours because it's dueAy yo I'm slippin' I'm fallin' I can't get up
Ay yo I'm slippin' I'm fallin' I can't get up
Ay yo I'm slippin' I'm fallin' I gots to get up
Get me back on my feet so I can tear shit upAy yo I'm slippin' I'm fallin' I can't get up
Ay yo I'm slippin' I'm fallin' I can't get up
Ay yo I'm slippin' I'm fallin' I gots to get up
Get me back on my feet so I can tear shit upCan't get up, I gots to get up
This is from the heart baby, don't get it twisted
Ahh X rated!
