Pop Danthology 2012

[unknown]

I'm at a payphone
The sun goes down
The stars come out
Can you blow my whistle baby, whistle baby let me know
Where have the times gone
My universe will never be the same
Can you blow my whistle baby, whistle baby

Popdanthology
Here we go

Oooooh ooooh
All I wanna do is love your body.
Ah-ooh baby baby ooh baby baby
Tonight's your lucky night, I know you want me
Ah-ooh baby baby ooh baby baby

I had a way then losing it all on my own
I find it so stupid
So why should I hide
Don't wake me up
That I love to make love to you baby
Sorry for party rocking

Some nights, I stay up cashing in my bad luck
Some nights, I call it a draw
What doesn't kill you makes you stronger
Stand a little taller
Doesn't mean I'm lonely when I'm alone
Now I'm at a payphone

Yo, hell yeah, dirty bass
Ghetto girl, you drive me cray
Hell yeah, dirty bass

Ooh ooh ooh ooh
Let's go!

Turn up the music cause the song just came on
I'm talking here and now

I'm talking here and now
Let's go!
Turn up the music if they try to turn us down
I'm talking here and now
I'm talking here and now

It's not about what you've done
It's about what you doing
So I cross my heart, and I hope to die
It's all about where you going
No matter where you've been
But i'll only stay with you one more night
Ooh ooh ooh ooh

Hey, I just met you
And this is crazy
But here's my number
So call me, maybe?
I think I've finally had enough, I think I maybe think too much
I think this might be it for us (blow me one last kiss)

Let's go!

Hey I heard you were a wild one
Ooh, ooh
'Cause that's just how we do
Lets go!
Dirty dancing in the moonlight
Take me down like I'm a domino
Lets go!

Ooh baby baby got me feeling so right
Ooh baby baby dancing in the moonlight
Ooh baby baby got me feeling so right
Ooh baby baby

I let it fall, my heart
And as it fell, you rose to claim it
It was dark and I was over
Until you kissed my lips and you saved me

You chewed me up and spit me out
Like I was poison in your mouth
You took my light, you drained me down
That was then and this is now

Girl let me love you

Don't wanna break your heart
I wanna give your heart a break
I know you're scared it's wrong
Like you might make a mistake
This is the part of me that you're never gonna ever take away from me

Girl let me love you

There's just one life to live
And there's no time to wait, to waste
So let me give your heart a break
This is the part of me that you're never gonna ever take away from me

So if by the time the bar closes
And you feel like falling down

I'll carry you home

Tonight
I'm wide awake
We are young
I can go fast, I can go slow
I can go places nobody else goes
Tonight
I'm wide awake
We are young
I can move fast, I can move slow
I can go places nobody else goes

If I was your boyfriend, I'd never let you go
I can take you places you ain't never been before
Baby take a chance or you'll never ever ever know
I got money in my hands that I'd really like to blow

Swag swag swag, on you
Chillin by the fire while we eatin' fondue
I dunno about me but I know about you
So say hello to falsetto in three two swag

Good morning and good night
I'll wake up at twilight
Starships were meant to fly
We don't even have to try

Oppan Gangnam Style

And it feels like I am just too close to love you
We've reached the climax
As long as you love me
Eh- Sexy Lady
Woah-oh-oh-oh
It's always a good time
I hear your heart beat to the beat of the drums
Baby you light up my world like nobody else
As long as you love me
Eh- Sexy Lady
Woah-oh-oh-oh Woah-oh-oh-oh

Shine bright like a diamond
Oppan Gangnam Style
Shine bright like a diamond
Ah!
Pound the alarm

I've been everywhere, man
Looking for someone
Someone who can please me
Love me all night long
I've been everywhere, man
Looking for you babe
Looking for you babe
Searching for you babe

At skyfall

I'm bulletproof, nothing to lose
Fire away, fire away
Ricochet, you take your aim
Fire away, fire away
You shoot me down, but I won't fall
I am titanium
You shoot me down, but I won't fall
I am titanium

Woahhh oh oh oh
Woahhhh oh oh oh
Woahhh oh oh oh
This is love, this is love, this is love
Oh, Miss international love

Where you been
Where you been all my life
Where have you been, all my life
There was a time I used to look into my father's eyes
Like when you said you felt so happy you could die

Forget about your friends they don't care where we go
If they do, we will get lost in a crowd of people
I've been looking for you forever baby we go
Together baby we go, we go

We'll run where lights won't chase us
Hide where love can save us
I will never let you go
Now you're just somebody that I used to know

L-U-V Madonna
Y-O-U You wanna
L-U-V Madonna

Woah-oh-oh-oh Woah-oh-oh-oh
It's always a good time
Woah-oh-oh-oh Woah-oh-oh-oh
