

7 minutes in heaven

Fall Out Boy

I'm sleeping my way out of this one
With anyone who will lie down
I'll be fixated on one star
When the world is crashing downI keep telling myself
I keep telling myself
I'm not the desperate type
But you've got me looking in through blinds
I keep telling myself
I keep telling myself
I'm not the desperate typeI'm sitting out dances on the wall
Trying to forget everything that isn't you
I'm not going home alone
Cause I don't do too well on my own
I'm sitting out dances on the wall
Trying to forget everything that isn't you
I'm not going home alone
Cause I don't do too well on my ownThe only thing worse than not knowing
Is you thinking that I don't know
I'm having another episode
I just need a stronger doseI keep telling myself
I keep telling myself
I'm not the desperate type
But you've got me looking in through blinds
I keep telling myself
I keep telling myself
I'm not the desperate typeI'm sitting out dances on the wall
Trying to forget everything that isn't you
I'm not going home alone
Cause I don't do too well on my own
I'm sitting out dances on the wall
Trying to forget everything that isn't you
I'm not going home alone
Cause I don't do too well on my ownI keep telling myself
I keep telling myself
I'm not the desperate type
But you've got me looking in through blinds
I keep telling myself
I keep telling myself
I'm not the desperate typeI'm sitting out dances on the wall

Trying to forget everything that isn't you

I'm not going home alone

Cause I don't do too well on my own
