Whatever Happened To My Rock 'N' Roll (Punk Song)

Black Rebel Motorcycle Club

1 2 3 4You want a part of me

You want the whole thing

You want to feel something more than I could ever bring

You want it badly

You want it tangled

I want to feel something more than I was strangledI fell in love with the sweet sensation

I gave my heart to a simple chord

I gave my soul to a new religion

Whatever happened to you?

Whatever happened to our rock'n'roll?

Whatever happened to my rock'n'roll? She wants it hallow

She wants it tainted

She wants to feel something more than she was naked

You want to hide away

You're scared to touch it

I want to feel something more than I care to takeI fell in love with the sweet sensation

I gave my heart to a simple chord

I gave my soul to a new religion

Whatever happened to you?

Whatever happened to our rock'n'roll?

Whatever happened to my rock'n'roll? She wants your image

She wants your kiss

She wants to get inside your head and tell it like it is

You want it badly

You want it so completely

I want to feel something more 'cause I can't fuckin' breatheI fell in love with the sweet sensation

I gave my heart to a simple chord

I gave my soul to a new religion

Whatever happened to you?

Whatever happened to our rock'n'roll?

Whatever happened to my rock'n'roll?
