## Pick Yourself Up

## **Diana Krall**

Nothing's impossible, I have found For when my chin is on the ground I pick myself up, dust myself off Start all over againDon't lose your confidence if you slip Be grateful for a pleasant trip And pick yourself up, dust yourself off And start all over againWork like a soul inspired Till the battle of the day is won You may be sick and tired But you'll be a man my sonDon't you remember the famous men Who had to fall to rise again? They picked themselves up, dust themselves off And started all over againWork like a soul inspired Till the battle of the day is won You may be sick and tired But you'll be a man my sonDon't you remember the famous men Who had to fall to rise again? They picked themselves up, dust themselves off And started all over againStart all over again
