Broken Heart (American Idol Performance)

Colton Dixon

Here i stand, all alone.
Trying to fight the pain from a broken heart.
Why she left me, i dont know
It really doesnt matter anymore
I thought our love could last forever
But here i stand, lost and all alone.There is life, even after a broken heart
You can fight, the pain of a broken heart
I know that life will be much better
I know the light will shine again
Baby i know
Yeh i knowThere is life, even after a broken heart
You can fight, the pain from a broken heart
Broken heart!
