

She Ain't La

[Nick Smith](#)

Two hour ain't going no where interstate
9:15 and she's already running late
Cutting big deals with the big wheels
Runnin all the time
Still in her mind

She Ain't La
Or city lights
She ain't the boulevard on a Friday night
She's a slow dance a county road
She's a dandelion when the wind blows
Her heart is always a thousand miles away
She ain't La

3 years can't catch a break out in Hollywood
She's never been anywhere she ever felt so misunderstood
All the big plans that she had
Are fading with the times
Still in her mind
