

God Is Working

Daps Dalyop Gwom

God is doing something new in my days
God is working silently in my days
God is doing something new in my life
He won't stop, He won't stop till I look just like Him (2ce)
God is rising mysteriously in my life.ooooohhoo
God is working strange things in my life
God is working
God is pouring
God is restoring eeeehee
He won't stop, He won't stop till I look just like Him (2ce)
May not know, maybe to slow
May show cos, may not grow (2ce)
I may not feel it may not be it
May not know it, may not look like it(2ce)
He won't stop, He won't stop till I look just like Him (2ce)
May not see it, may not be it, may not know it
It may not be real you have never felt it you
Have never known it you have never seen it (2ce)
And when his over
When his over (7times)
Suddenly! you will look like him(4times)
Hold on
It's not over... Hold on
Hooooold on
I will worship you till I see you face I
Will worship you till I look just like you
I will worship you till I see you face
Till I look till look just like you
Till I'm lost... till I'm lost inside you (2ce)
So glorious... Glorious glorious when I'm lost
Glorious... Glorious glorious when I'm lost
