Raise Your Glass

Go:Audio

Heading to town,
In the car now,
Another a night out,
Already two down,
Follow the streetlights,
Its 10 to midnight,
I'm gonna drink the night away.Try to impress,
I couldn't care less,
Light a cigarette,
And do it all again,
Run straight through,
What I'm gonna do,
I won't remember ever getting home.But I can't,
Won't stop this,
Going out tonight and theres nothing I can do.But I can't (but I can't),
Won't stop this (won't stop this),
I'm out tonight and its time for me to say (out tonight and its time for me to say).Heres to,
The night we owe it all to,
Raise your glass,
Cause this ones for you,
And how we make it,
If we make it,
Tonight we make it.Sing out,
As the music gets played loud,
Grab your girl,
And come on lets dance,
We're gonna make it,
Tonight we make it,
We're gonna make it count.Hanging by a thread,
Forgetting what I said,
Keep the same speed,
Don't slow it down on me,
Feel so on edge,
Thats OK I guess,
Going to a place I don't know.Take a walk around,
Trying to find out,
Where the times gone,
What am I on about?
You wanna flick the switch,

And have a slow kiss,
Take it further maybe take this home.But I can't (but I can't),
Won't stop this (won't stop this),
I'm out tonight and its time for me to say (out tonight and its time for me to say).Heres to,
The night we owe it all to,
Raise your glass,
Cause this ones for you,
And how we make it,
If we make it,
Tonight we make it.Sing out,
As the music gets played loud,
Grab your girl,
And come on lets dance,
We're gonna make it,
Tonight we make it,
We're gonna make it.Never-ending,
Contemplating,
Not waiting,
No more.Break your silence,
Take your moment now,
Now.But I can't,
Won't stop this,
Going out tonight and theres nothing I can do.But I can't (heres to the night we owe it),
Won't stop this (all to, raise your glass cause this),
I'm out tonight and its time for me to say (ones for you, if we make it),
Time for me to say.Heres to,
The night we owe it all to,
Raise your glass,
Cause this ones for you,
And how we make it,
If we make it,
Tonight we make it.Sing out,
As the music gets played loud,
Grab your girl,
And come on lets dance,
We're gonna make it,
Tonight we make it,
We're gonna make it count.
