

# Moody's Mood For Love

Quincy Jones

There I go, there I go, there I go, there I go  
Pretty baby you are the soul that snaps my control  
It's a funny thing but every time I'm near you  
I never can behave  
You give me a smile and I'm wrapped up in your magic  
Music all around me, crazy music, music that keeps calling me so  
Baby close to you, turns me into your slave  
Come on  
Come and do with me any little thing that you want to  
Anything, baby just met me get next to you  
Am I insane or do I really see heaven in your eyes  
Bright as stars that shine up above you  
In the clear blue sky  
How I worry bout you  
Just can't live my life without you  
Baby come here, don't have no fear  
Oh, is there wonder why  
I'm really feeling in the mood for love  
So tell me why, stop to think about this weather, my dear  
This little dream might fade away  
There I go talking out of my head again so baby won't you  
Come and put our two hearts together  
That would make me strong and brave  
Oh, when we are one, I'm not afraid, I'm not afraid  
If there's a cloud up above us  
Go on and let it rain  
I'm sure our love together would endure a hurricane  
Oh my baby  
Won't you please let me love you and get a release from this awful misery  
What is all this talk about loving me, my sweet  
I am not afraid, not anymore, not like before  
Don't you understand me, oh baby please  
Pull yourself together, got to do it very soon  
My heart's on fire, come on and take  
I'll be what you make me, my darling  
Oh, pretty baby, you make me feel so good  
Let me take you by the hand  
Come let us visit out there  
In that new promised land

Maybe there we can find  
A good place to keep a lovin' state of mind  
I'm so crazy mama  
Never knew what love was all about  
James Moody would you come on hit me, you can blow now if you want to, we're through
