This Dead Bird Is Beautiful

Lost in the Trees

You lie in your wheat
You lie in your wheat
This dead bird is beautiful
We found her at peace
She has my eyes
She has my eyes
The golden glow that glowed all night
Dont you say she was weak
Dont you say she was weak
Ill carry her
Because she breathed I breath
Ill carry her
Because she breathed I breathAnd hell won't come into my house
Not when youre around
Oo-oo ladadada
And I wont come into my house
Not when youre around
Oo-oo ladadadaShe showed her heart
She showed her heart
You called art a fag
Before you drug her into the dark
You were the victim
You were the victim
You wouldn't let her up
Till she kissed you
Now shes the villainThere's no walls in heaven
There's no walls in heavenA golden armored sky will carry her
But Ill always have her eyes
Ill carry her
but Ill always have her eyesI wont come into my house
not when youre around
